**Re: Joint Report Regarding Tolloed Milestone Payment Under Lone Star Solar,
LLC's Interconnection Agreement
Docket No. 2020-248-E**

Dear Ms. Boyd:

On October 28, 2020, the Public Service Commission of South Carolina (the "Commission") granted the joint request of Dominion Energy South Carolina, Inc. ("DESC") and Lone Star Solar, LLC ("Lone Star") (collectively, the "Parties") to toll the deadline for Milestone Payment 2 under Lone Star's amended Interconnection Agreement dated April 19, 2019.¹ In granting the joint request, the Commission required the Parties to provide a report no later than November 30, 2020 (today) detailing the status of the Parties' negotiations to establish a revised due date for Milestone Payment 2.

In fulfillment of that requirement, the Parties are pleased to report that negotiations have progressed in good faith since the filing of the original joint request. Most recently, counsel for each of the Parties held a conference call on Friday, November 20th. During that call, counsel discussed several concepts and proposals regarding a new milestone deadline. Given the Thanksgiving holiday, the Parties agreed to discuss those concepts and proposals with their respective clients and follow-up this week in hopes of reaching a resolution.

The Parties are encouraged by the negotiations to date and look forward to further discussions later this week in hopes of reaching a resolution that addresses the unique circumstances surrounding Lone Star's project. The Parties appreciate the Commission providing time for these negotiations and look forward to updating the Commission on these matters no later than December 14, 2020.

¹ The Commission Directive issued in this docket on October 28, 2020 tolled "the requirement for Lone Star to make Milestone 2 to DESC for the limited period of forty-five (45) days . . . or until December 14, 2020."

Sincerely,

J. Ashley Cooper

Acknowledged and Agreed:
